

D&D FORD TRUE BLUE ADVANTAGE

Provides you with the following:

Customer Name _____

Salesperson Name _____

True Blue 10 Year / 200,000 Mile Warranty

This warranty covers all NEW and USED vehicles which fall within 5 years of the current model year, See Dealer for details.

Door Ding Protection

With Paintless Dent Repair (PDR) door ding protection, it couldn't be easier to remove door dings and small dents without the need for expensive and time consuming body shop repairs. Additionally, when the time comes to sell or trade your vehicle, or terminate your vehicle lease, door ding protection will help assure that you receive the highest possible value for your vehicle.

Windshield Repair

Repairs any small cracks, stars or chips on the front windshield caused by road hazards that are repairable through an existing Windshield Repair process. Windshield Repair is a permanent process that removes air from the break and fills it with a curable resin. The process bonds the glass together, restores strength to the windshield, improves the break's appearance and prevents the break from spreading.

Roadside Assistance

Towing and emergency roadside service including mechanical first aid, tire battery and delivery services, extricating service, auto accident towing and lockout service. Nationwide 24/7/365 toll-free sign and drive roadside service is available 24 hours a day, 7 days a week, 365 days a year.

Anti-Theft Protection

In addition to the time and hassle of having your vehicle and its contents stolen, replacing it can cost thousands! Purchasing this anti-theft program provides your vehicle with the ultimate anti-theft protection. Permanent vehicle marking numbers are registered and traceable through the National Insurance Crime Bureau (NICB) which increases the likelihood that your vehicle will be recovered.
